## CASE STUDY

### About Nilkanthdham Swaminarayan Temple

Lord Shri Swaminarayan, the source of all incarnations, has gifted to the mankind, the essence of all the scriptures in the form of Shikshapatri. For the benevolence of the entire human race, he has preached to spread the true education on the earth, which he has considered as a great good deed. Following to these principles for the betterment of the society and also for the noble cause of nourishing and spreading the divine commands of Lord Shri Swaminarayan, H.H. Gurudev Shastriji Maharaj Shri Dharmajivandasji Swami has, the dawn of the independence of our country, established Shri Swaminarayan Gurukul, in the year of 1948 in Rajkot, Gujarat (India). Swamiji has revived our ancient Gurukul Culture to spread true education with religious virtues in the young generation to enable them to serve the society and the nation as well.

### Customer Requirement

- They want to inter-connect all their blocks for Communication and public announcement for Poicha Location.
- They want to use their existing analog phones.
- Intercommunications within their branches with Hard Phones, and Soft Phones.
- They want to integrated existing public announcement system with our IPPBX and make an announcement with softphone and hard phone from any location.

### Solution Offered

We did installed Grandstream **UCM6204** with IP Phone, FXs gateway, Volte GSM Gateway, SIP Paging adapter, Outdoor Wi-Fi access point and Headset for IP Phones. Integrating all blocks with our PBX via above devices for intercom, announcement and simultaneously work independently. Senior Management is using Grandstream soft Phone APP. so that they can do video, Audio, Paging communication. This only makes their communication easy, good and reliable. Grandstream UCM is one box solution which gives all features (No expansion, license cost).

### Challenges Faced

Competitors like Panasonic, Matrix and NEC were there in the race and integration with their existing analog PA system ( which we integrated with our PBX).
