

CASE STUDY

About Raintree

The Rain Tree Foundation is a non-government, social grass-root organization registered under the Ministry of Interior focusing on rural and underdeveloped communities in Thailand. Our aim is to give people the power to improve their lives through education and self-help projects.

Our main focus is education and child development along with sustainable community development. We support several different projects such as: children’s homes, foster children program, supporting of remote village schools, informal vocational training, eyeglass project and providing water supply systems and drinking water as well as assisting local coffee cooperatives and other social enterprise projects.
