RAPIPAY FINTECH PVT. LTD.

CASE STUDY

About RapiPay Fintech Pvt.Ltd.

RapiPay Fintech Pvt. Ltd. (Formally known as Virgosoft IT Services Pvt. Ltd.) is a start-up business, located in Delhi, engaged in the business of providing services in Digital Payment solutions through Pre-Paid Payment Instruments. The Company has launched a mobile Wallet solution for Indian users by the name "RapiPay".

RapiPay Wallet is a prepaid payment instrument platform, approved by RBI, which allows users to send and receive money through a smart phone using internet/SMS or through a web browser. RapiPay Wallet services include Money Transfer, Mobile/DTH/Data Recharges, Post-paid and Utility bill payments, payment to registered merchants. A customer can instantly send money to any mobile number or to a bank account in India, even if the recipient is not a registered RapiPay Wallet user. The user can load money into the wallet by Credit Card, Debit Card, Net banking and Cash.
