Government

## CASE STUDY

### About DGP Office Telangana

Office of the Director General of Police for the state of Telangana

### Customer Requirement

- ✓ To limit the direct meetings with visitors during the period of COVID19.
- ✓ They are looking for a solution to E-Meet visitors that come daily to DGP Office due to the existing COVID-19 Situation.
- ✓ Option to add a third participant if required.
- ✓ Easy to use interface.
- ✓ Good Quality Video and Audio.

### Solution Offered

We have installed few IP Video Phones based on the requirement. Visitors coming will first interact with the initial point of contact and based on the person to speak with they will be made to interact with the authority concerned. Simple calling through IP to IP is used in this case. Audio Quality is impeccable along with the video quality. They are satisfied with the working of the product and we have successfully deployed the solution during the period of COVID19.

### Competition Faced

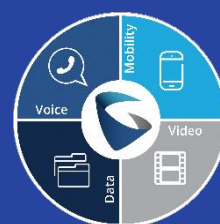

COVID19 Period.  
Multiple OEMS With similar solutions.  
Proper POC in as is scenario.
