CASE STUDY

About Emcure Pharmaceuticals

Our Company was incorporated as Emcure Pharmaceuticals Private Limited on April 16, 1981 as a private limited company under the Companies Act, 1956. Our name embodies our purpose and core belief of the entire company which is to make Effective Medicine to Cure patients for enabling them to lead healthier lives. We are a fast growing Indian pharmaceutical company engaged in developing, manufacturing and marketing a broad range of pharmaceutical products globally. Our core strength lies in developing and manufacturing differentiated pharmaceutical products in-house, which we commercialize through our marketing infrastructure across geographies and relationships with multi-national pharmaceutical companies.
