About Swaminarayan Mandir Vasna Sanstha

Swaminarayan Mandir Vasna Sanstha (SMVS) is an International Socio-spiritual Organization. It is based on the spiritual principles laid down by Bhagwan Swaminarayan and illumined by Shri Abjibapashri. SMVS was established in the year 1987 by the consecration of divine murtis in Shikharbaddh Mandir at Vasna, Ahmedabad. Thereafter this spiritual mission got its identity as **SMVS**.

Customer Requirement

End User was trying to achieve a cost effective way to replace their existing coral system and they are coming up with new hospital about 1 km away from mentioned address for which they will buy the system later and can connect with the main Sant Awas and will have basic IP Phones (28 nos), Operator Console (1 nos).

Goal/Purpose of the new deployment

To replace the existing TDM system with latest IP technology so that their remote Extn or different IPPBX can be register and control from one Main Location, which is not possible in TDM PBX.

Solution Offered

They now have a system which does not require any addition of cards/modules or features which they used prior to the installation with lifetime licenses. They will not have any expansion cost for each module which have hugely reduced their cost.

Competition Faced

Sangoma and Matrix was also trying to get this order
